InnoHEALTH® 2026

Agenda

Day 1 -Friday, 20 November 2026

Time	Session	Speakers
09:00 - 10:00	**Registration and morning snack**	
10:00 - 12:00	**AI in Healthcare for Everyone** *A practical introduction for a general audience, combining simple explanations, live demonstrations and group activities. No coding or medical background is required. Participants will learn to use AI to understand health information, prepare better questions and assess the reliability of its answers.*	-
12:00 - 13:00	**Lunch break**	
13:00 - 14:30	**Inaugural** *India's healthcare ecosystem has never been designed as an ecosystem. Hospitals optimize for throughput, diagnostics for volume, pharma for prescriptions, insurance for premiums. The patient falls through every gap.* *Is Indian healthcare a system, or a collection of competing subsystems?*	(Hony) Brig Dr. Arvind Lal Executive Chairman, Dr Lal PathLabs Dr. Ravi Gaur Chair Medical Advisory Committee, Oncquest Labs & Founder, DRG Path Lab Dr. Dharminder Nagar Founder & Managing Director, Paras Health Dr. Rajeev Gautam Senior Corporate Officer, HORIBA, Ltd. & Japan President, HORIBA India Air Marshal (Dr.) Pawan Kapoor (Retd) Rus Education, Technical Advisor & Lincoln American University, Vice Chancellor Mr. Sachin Gaur Director Operations, InnovatioCuris Dr. Tanvir Ahmad Professor, Computer Engineering & Addl. Director, FTK-CIT, Jamia Millia Islamia University

Time	Session	Speakers
14:30 - 15:30	**The Hospital as the Ecosystem Hub - Operations, Outcomes, and the Business of Care** *Every bridge in this conference lands in a hospital. Yet hospitals are usually the buy-side voice, never the sector held to account for its own business model. This session puts India's largest healthcare sector on its own accountability stage.* *If the hospital is the hub of the healthcare ecosystem, is it behaving like one or like a walled garden?*	Dr. Kanika Kanwar Group Medical Director, Metro Group of Hospitals Maj Gen(Dr.) Jagtar Singh, VSM Executive Director, Academy of Hospital Administration Dr. Vikas Sangwan Medical Superintendent, Yatharth Hospital Dr. Shyama Nagarajan Executive Director, Make In India Healthcare Pvt. Ltd. (An AMTZ Initiative) Dr. Shabnampreet Kaur Deputy Director, Operations, South Brooklyn Health (NYC Health + Hospitals) Mr. Pankaj Uniyal Founder & CEO, Univista Consulting Group (UCG), USA
15:30 - 16:00	**Afternoon snack and networking**	
16:00 - 17:00	**Trusted Digital Health - Interoperability, AI Governance, and Cybersecurity** *A patient's data travels slower than the patient. AI copilots are entering wards, but no one has agreed who is liable when they're wrong. And three AIIMS hospitals were hit by ransomware. Interoperability, governance, and security are one conversation.* *Can India build the world's largest connected health data ecosystem and govern and protect it at the same time?*	Dr. Sunil Kumar Khetarpal Deputy Director General, Association of Healthcare Providers India (AHPI) Dr. Amit Raj Founder, Plexus AI Surg Capt (Dr.) Vijaya Kumar Bodasingu Former Executive Director, KIMS Hospitals Dr. Anandhi Ramachandran Professor, IIHMR Delhi Dr. Bhupinder Chaudhary Head, Department of Hospital Management and Hospice Studies, Jamia Millia Islamia, New Delhi Mr. Abhishekk Kumar Chief Executive Officer & Founder, ConsentAccess

Day 2 - Saturday, 21 November 2026

Time	Session	Speakers
09:00 - 10:00	**Registration and morning snack**	

Time	Session	Speakers
10:00 - 11:00	**The Diagnostic-Care Bridge - When the First Test Gets Lost** *A patient is diagnosed with diabetes. The report sits in the lab's system. The doctor is never notified. Six months later, the patient arrives in the ED in crisis. The lab and the doctor were never connected.* *Who owns the bridge between diagnosis and treatment: the lab, the doctor, the hospital, or the digital platform?*	Mr. Arpan Malhotra Director & Chief Operating Officer, MAX lab Dr. Ravi Gaur Chair Medical Advisory Committee, Oncquest Labs & Founder, DRG Path Lab Dr. Reena Nakra Chief Scientific Officer, Dr Lal PathLabs Mr. Kabir Mahajan Chief Executive Officer, Mahajan Imaging and Labs Mr. Shubham Jain VP, Healthkois Mr. Amit Bhatnagar Managing Director, Accuster Technologies Pvt. ltd.
11:00 - 12:00	**The Pharma Bridge - From Prescription to Patient Outcome** *A patient is prescribed diabetes medicine, takes it three weeks, then stops. The physician never knows. Pharma ships next month's stock anyway. In a connected ecosystem, pharma owns the bridge from prescription to outcome.* *Should pharma be measured by prescriptions written or outcomes achieved?*	Dr. Sangeeta Sharma Professor & Head, Neuropsychopharmacology, IHBAS & Honorary President, DSPRUD Mr. Vikas Goyal General Manager & Head of Supply Chain Management, Fortis Healthcare Mr. Rajarshi Dasgupta Pharmaceutical Management Consultant & Trainer Dr. Sabine Kapasi Founder and Managing Director, Enira Consulting Mr. Kamal Mehrotra Managing Director, Stanwell Lifesciences Pvt Ltd & Owner,, Mehrasons and Emcare Dr. Navneet Sharma Assistant Professor-II, Amity Institute of Pharmacy
12:00 - 13:00	**Lunch break**	
13:00 - 13:30	**Fireside Chat** *Securing health sector : what are the weak links ?*	Mr. Paratosh Bansal Founder and CTO, Kratikal Tech Limited Mr. Sachin Gaur Director Operations, InnovatioCuris

Time	Session	Speakers
13:30 - 14:30	**The Urban Community Bridge - Public Health, Primary Care, and Referral Networks** *A patient visits a PHC with fever and cough. The nurse suspects TB. No X-ray, no sputum test. The patient is told to travel 50 km. They never go. The bridge between primary care and tertiary hospitals barely exists.* *What should India's public health system own, and what should it partner with the private sector to deliver?*	Dr. Sandeep Bhalla Vice President, ECHO INDIA Dr. Tapan Shah OSD, Health and Ministry of Labour, India Dr. Rahul Sharma Assistant Professor, Galgotias University Dr. Rajib Dasgupta Professor & Chairperson Centre of Social Medicine & Community Health Concurrent Faculty, School of Sanskrit and Indic Studies Jawaharlal Nehru University, New Delhi Dr. Mohd. Shannawaz Associate Professor and Head of Department, Amity Institute of Public Health and Hospital Administration, Amity University Noida
14:30 - 15:30	**The Nursing Session - The Workforce Bridge** *India's nurse-to-population ratio is 1:483, a shortage of nearly 2 million nurses. Attrition is accelerating, migration is rising, and most hospital technology is designed around nurses rather than for them.* *If a nurse's time is your most expensive clinical asset, what are you doing to protect it?*	Dr. Raminder Kalra Principal, Holy Family College of Nursing Col. Binu Sharma Chief Executive Officer (CEO), Infusion Nurses Society (INS) India Mr. Vinodh Krishnankutty Group Director Nursing, Medanta Ms. D.Maryline Flinsi Principal, Apollo school of Nursing Flt. Lt. Saras Malik Chief People Officer, Artemis Hospitals Dr. Indira Rani Director Nursing, Yashoda Medicity Dr. Prachi Awasthi Principal, Metro College of Nursing
15:30 - 16:00	**Afternoon snack and networking**	
16:00 - 17:00	**Young Innovator's Award** *Eight sessions have identified the broken bridges. Now the generation that will build the new ones takes the stage. Startups, students, and young professionals present solutions for the ecosystem's hardest gaps.* *What bridge will you build?*	Prof. S. Venkataramanaiah Professor, Operations and Supply Chain Management, IIM Lucknow Mr. Tarun Gupta Founder and CEO, VaidyaRx Private Limited Dr. Saurabh Gupta Professor (Assistant), NIT Raipur
